

WANTED

\$ FUNDING \$

Kendra seeks funding to develop open marketplace for digital media framework.

💰 Simplify and streamline buying and selling digital content by driving industry adoption of open protocols.

💰 Enable interoperability between service providers, media applications and devices - every link in the content value chain.

💰 Build a system where consumers can use any device or application to browse, search and purchase from the globally distributed collection of content catalogues.

💰 Create a more pleasurable buying experience for consumers and increase reach and revenue for content owners.
